Email:

Please present this form at the Castle Tearoom, bringing a passport sized photo with you. For €50 this will allow you as many visits as you like during our normal opening hours (Thursdays - Sundays, 11am - 6pm) and a chance to enjoy the gardens through the changing seasons. This pass allows access for the holder plus one guest per visit.

You may instead wish to purchase a family ticket for €60.

Dogs can be admitted on leads, and children under six are admitted free with the Season ticket holder. Other adults and children will be charged at the normal rate. Please note that the Season ticket is not transferable and that holders must show it in the tearoom before entering the gardens.
